

Webinar: Guidance on Patient Involvement on HTA

Note: This webinar took place on 5 July 2017. You can find a video recording and the presentations used during the webinar below.

Webinar introduction

A very important result from the EUPATI project was the development, broad consultation and final release of guidances on the best approach to interaction of patients with pharmaceutical industry-led medicines R&D, regulatory authorities, ethics committees and HTA agencies. This webinar focuses on the Guidance on Patient involvement in HTA
