

Webinar: Guidance on Patient Involvement on Industry-led R&D

Note: This webinar took place on the 04-May-2017. You can find a video recording and the presentations used during the webinar below.

Webinar introduction

A very important result from the EUPATI project was the development, broad consultation and final release of guidances on the best approach to interaction of patients with pharmaceutical industry-led medicines R&D, regulatory authorities, ethics committees and HTA agencies. This webinar focuses on the Guidance on Patient Involvement in Industry-led R&D.
